IN MEMORIAM

In remembrance of my dad Everett (Pete) Martin who passed away 4 years ago June 12, 1973.

Dear Daddy,

Four years have passed since I last saw you, but I still remember you so well. I just wish that God could have spared you a few more wonderful years.

They say time heals all sorrow and that someday I might forget, but I will always keep your memory; I will never forget that.

I visit your grave quite often and say a little prayer, that someday we will meet in heaven and be together there.

Missed by your son, E. W. Jr. 6-9-1p

SCHOOL BOARD ASKED TO CHANGE ADMINISTRATION OF COUNTY LIBRARY

cont'd from page 1

J. B. Drinkard, Jr. and Lloyd Walton were asked to study the bids to determine that all bids were submitted on the same specifications. This was accomplished and a recommendation was made and approved that the low bid from Jamerson Insurance Agency be accepted.

The Board granted an easement to the Town of Appomattox to install, repair, maintain, alter and operate sewers, storm drains and water lines in, into, upon, over, across and under a strip of land not to exceed a permanent width of 4.5 feet and temporary width of 10 feet along Route 460 in front of the Appomattox Elementary School.

During the current school session a committee worked to revise and improve the report cards used to convey information about pupils to parents. The committee worked many hours and involved many persons in the study. The recommendations of the committee were approved by the Board and revised report cards will be available for the beginning of the 1977-78 session for grades one through six.

The School Board authorized the superintendent to have the Virginia Supplemental Retirement System make an actuarial study of Appomatox School classified personnel to determine the cost of the retirement program and to receive recommendations regarding options which are available. To make the study made will cost the school board approximately $200.

A copy of the final draft of the project, "A Model Program for Career Guidance", was given to each Board member. The project has been approved for the 1977-78 session in the amount of $80,000. These funds will be used to employ two guidance counselors, to renovate the economics cottage at AMS to serve as a guidance suite, to employ one guidance secretary and to purchase equipment and materials to implement the project.

The development of this project has been encouraged and supported by the State Department of Education. Since it is anticipated that this project will be invaluable to Appomattox students, it will be observed very closely by the State Department of Education and other school divisions as a possible model for others to follow.

Upon approval of local physicians and the endorsement of the Medical Society of Virginia, the School Board gave approval for scoliosis screening clinics to be conducted in the schools in the fall of 1977 for students in grades five through nine.

The superintendent presented a financial report for the 1976-77 fiscal year. Anticipated expenditures are listed as $3,077,393. Estimated payroll through June 30, 1977 and all other expenditures through June 6, 1977 are $3,012,995. This leaves a balance of $64,398 for operating expenditures to be reviewed by the Board on June 28, 1977. Many improvements have been made in the system during the year & the financial condition of the school system at the end of the fiscal year is good.

In other action, the Board recognized the efforts of special education teachers in relation to the regional and state olympics and suggested that a letter of appreciation be sent to each teacher involved.

Mr. Gordon Bragg and Mrs. Lucy Harris were requested to review driver education books and to recommend for adoption a book considered most appropriate for Appomattox students. They recommended adoption of **SPORTSMANLIKE DRIVING**, and this was approved by the Board.

The Board heard a report from the superintendent regarding the condition of the community canneries. It is estimated that repairs to the boiler at Appomattox Cannery will cost $3500, and the condition of the Pamplin boiler is still under study.

The Board approved the appointment of the following personnel: Vickie Lee Burnette ACHS, Math; Ruth E. Cowan, ACHS, English; Lorraine E. DuBois, ACHS, DE; Deborah E. Hazlett, APS, Doris G. Humphries, AES, fifth grade, Jerry Gene Kendrick, ACHS, Electronics; Freda Jones Layne AES, Title I; and Deborah A. Robertson, ACHS , Business.
